FACULTY OF COMPUTER SCIENCE Faculty Notices Lecture Videos ACADEMIC TIMETABLE View

The screenshot shows a web-based quiz interface for a lecture titled 'Lecture 01 Test Malabe WD S1.03 & S1.05'. The page displays a summary of previous attempts, showing one attempt finished on August 4, 2022, at 10:37 AM. A prominent yellow button labeled 'Re-attempt quiz' is visible. Below the main content, there's a navigation bar with links for 'Zoom Links to Practical Sessions' and 'Jump to...', followed by a file name '2022-S2-IT2060-Lecture-01-Introduction'. At the bottom, a dark taskbar is visible with various application icons, including Microsoft Word, Excel, and Google Chrome. The taskbar also features a 'DO YOU NEED ANY SUPPORT?' button and a weather widget showing 82°F and cloudy conditions. On the right side of the taskbar, there are links for 'Calendar', '82°F Cloud', and 'ACADEMIC TIMETABLE View'.

Question 2

Answer saved

Marked

Select the proprietary OS.

- a. Ubuntu
- b. Linux
- c. Fedora
- d. Unix
- e. Windows
